Nagniningning ang bundok sa tanglaw ng buwan	The mountain is shining in the glow of the moon
Ni isang yapak di kita	Not one footprint to be seen
Kaharian ng kalungkutan, at ako nga ang Reyna	A kingdom of sadness, and I really am the Queen
Ang ihip ng hangin, parang habagat sa loob	The gust of the wind is like "habagat" (western storm wind) inside
Di na natiis, ako'y napasubok	Couldn't endure, I had to try/I was provoked
Wag ipaalam, wag ilalabas	Don't let them know, don't let it out
Dapat mabuting halimbawa ka	You should be a good example
Ilihim mo, wag ipakita	Keep it secret, don't show it
Eh nakita na	But it was already seen
Bumitaw, bumitaw	Let go, let go
Di ko na matatago	I cannot hide it anymore
Bumitaw, bumitaw	Let go, Let go
Isarado ang pinto	Close the door
Bahala na,	Who cares (Bahala na=let God handle it)
kung anong sabihin nila	whatever they'll say
Bumagyo pa man	Even if the storm comes
Lamig ay hindi na abala	The cold is not a bother anymore
Hindi ba sa malayo	Isn't it, from afar,
Lumiliit ang lahat	Everything becomes small
Haharapin ko ang aking takot	I will face my fears,
Ang tapang ko'y sapat	My courage is enough
Panahon nang magpakitang gilas	It's time to show what I've got
Subukin ang aking lakas	To test my strength/powers
Walang mali, walang hanggan	No wrong, no limits
Kalayaan	Freedom!
Bumitaw, Bumitaw	Let go, Let go
Ako'y hangin at himpapawid	I am the wind and sky
Bumitaw, bumitaw	Let go, Let go
Di na mananangis	Will not weep anymore
Narito ako	Here I am
mananatili dito	Here I'll stay
Bumagyo pa man	Even if the storm comes
Kapangyarihan ko sa hangin at lupa	My powers in the air and the ground
Sigla'y kumikislap sa aking diwang kay ganda	My zeal/energy sparkles through my beautiful spirit/soul

Siklab ng kristal, lumikha ng haraya Di na ko babalik, wala nang halaga. Bumitaw, bumitaw Bumangon sa sikat ng araw Bumitaw, bumitaw Tanggapin ang bagong ikaw Dito sa liwanag ng umaga Magpakailanman Lamig ay hindi na abala.	A spark of crystal, creates an idea/thought I'm never going back, there is no point. Let go, Let go Rise/wake to the shine of the sun Let go, Let go Accept the new you Here in the light of the morning Forevermore The cold is not a bother anymore
